

SAFETY & A SWINGIN' SUMMER

It's here, it's here! Summer time at Fortune Lake has begun. FLLC is swinging into its summer operations as the full-time, summer staff and volunteers hustle and bustle around to get camp ready, safe and prepared for all activities. Staff training has gone very well. Every single staff person has been working hard, and gathering knowledge and safety habits so every camper will be safe and secure in this intentional Christian community and will be able to focus on their life in Christ and the surroundings that Christ places us in. I'm very proud of our 2008 Summer Staff for their amazing preparations and dedication to the campers, safety and Christian values which to uphold and share. The enthusiasm can be felt in the air here!

Get ready! As you prepare to visit us, participate or simply pray for us this summer, look ahead to the future as well. Now is a great time to begin taking a look at the offerings Fortune Lake Lutheran Camp has for people of ALL ages throughout the ENTIRE YEAR! Please look carefully through the newsletter and upcoming newsletters for our Year-Round Offerings.

I thank God for each and every one of you. Continue to look to God for guidance and direction. Be reminded that the Justice through Christ is far better than our own human understandings, and "His justice will flow like a river, and His righteousness like a stream." (Amos 5:24) Be united in Christ to all peoples. Pray for one another. Look upon your neighbors and enemies with eyes of love.

Peace,

Soren Schmidt

Program Director – Fortune Lake Lutheran Camp
