Arrival Day (Our camp is in the Central Time Zone)

Onsite arrival and check in is **3pm—5pm** on Sunday in the Chapel. If you arrive before 3pm, please tour our site and visit our camp store (Canteen).

Canteen Accounts

Our canteen has snacks, clothing and camp mementos available for purchase. As a part of our nutrition program, the purchase of snacks is regulated. Except for Registration Day and after closing Worship, all Canteen purchases must be made through a prepaid account. Any remaining funds at the end of week are refunded. Your prepaid Canteen account can be set up when you register or on arrival day. \$20—\$25 is the most commonly established opening balance.

Thanks to the generous support of our member congregations, WELCA's and generous individual donors, we are able to maintain quality facilities, develop dynamic programming and keep fees low.

Refunds

Full Payments are refundable with a \$25 administrative charge until May 1. After May 1, the \$75 Deposit is not refundable.

In the following circumstances there are no refunds:

- campers leaving early or arriving late
- campers sent home early
- cancellation less than one week prior to program start date
- "no shows"
